HIS HIGHNESS THE MAHARAJA OF MYSORE,

Sir,

With reference to your letter No L.4399/Ml.63-28-68 dated 23/25 January 1929 returning the byelaws framed for the levy of Octroi on Excisable articles imported within the limits of the Ajjampur Municipality and enclosing a sample copy of the Melkote Octroi Byelaws and requesting that the byelaws of the Ajjampur Municipality may be drafted on the lines of the sample copy so far as the rules could be applicable to the locality, I have the honour to state that draft byelaws on the lines of the Melkote Municipal bylaws were got drafted and the same were duly got published in the Municipality on 25-1-1930 in accordance with section 43 (2) of the Municipal Regulation calling for objections to the same. As it is reported that no objections to the levy were preferred, it was resolved by the Municipal Council, Ajjampur in their meeting held on 21-2-1930 that the byelaws may be passed and sanction therefo obtained.

The President, Municipal Council, Ajjampur, reports that he estimates an income of Rs 1,000/- from this source during the year 1931-32, if the proposal is given effect to from the beginning of the next official year and I am of opinion that this will go great way to augument the slender resources of the Municipal fun

I therefore request you to kindly obtain early orders of Government sanctioning the levy of octroi on piece-goods,
